

REMARKS

Applicants respond to the Office Action mailed June 29, 2005. In the Office Action, the Examiner allowed claims 121-133 and claims 141-150, and rejected claims 134-140 under 35 U.S.C. 101 as directed to non-statutory subject matter.

While Applicants respectfully disagree with the grounds for rejection of claims 134-140, to further prosecution, Applicants amend claims 134-140 in the manner suggested by the Examiner. Therefore, after entry of this Amendment, claims 134-140 should also be in condition for allowance. If these amendments are not satisfactory, Applicants respectfully request that the Examiner telephone the undersigned at (650)849-6621.

In view of the foregoing amendments and remarks, Applicants respectfully request reconsideration and reexamination of this application and the timely allowance of all pending claims 121-150.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
